BAOBAB ALL STARS CIRCUIT (West of Madagascar)

This two weeks route takes you to the west coast of Madagascar between the coastal city of Morondava and Tsingy of Bemaraha and to the beautiful city of flowers of Majunga. Two strong rivers coming from the Highlands pour along the Mozambique Channel: Tsiribihina and Manambolo. Rivers dug wide furrows which cut huge limestone plateau, the Tsingy. In this beautiful and wide peneplane, baobab is the king, punctuating the landscape by its tall and massive presence. Baobab Avenue is an excellent representation. The chaotic track passes in the heart of this wooded savannah settings, the laterite road line is cut by two car ferries ride allowing to cross rivers …
